

NCA School Newsletter Year 35, No 38

Monday 5th December, 2011

It is good to Praise the Lord. Psalm 92:1

Dear NCA Whanau

Congratulations to Megan Miller for 1st place in discus, Nicholas Sauira for 2nd place in long jump and Rachel Watkins for 2nd place in high jump. We took a group of students along to the inter school athletics and it was awesome to see all participating so faithfully.

Don't forget this Friday that we will be going to Quinney's. We will be leaving at 9:05am SHARP. If you arrive after this you will have to make your own way there. We will let everyone know the groups when we arrive there. We will let you all know how the transport will work this week. Don't forget plenty of water, and a yummy picnic lunch. If it is raining it will not be postponed, rather cancelled and we will refund your money that you have paid. Check www.nca.school.nz and I will twitter there what will happen.

This week you will receive your last account for both the BOT and New Life Ministries. Please do make sure this is paid in FULL by the end of the year. If you are paying instalments this is fine, but if you have paid nothing all year, you will receive a phone call.

Next Thursday we will all be at Richmond New Life for the day practicing for the Prize Giving and Production. If you have trophies, we NEED then no later than Wednesday to have them engraved. IF they are late we will ask you to drop them to the engravers.

Thank you for the families that have indicated they have children to come to NCA next year. If there are any further enrolments that you need to do, please do so soon as the Room One roll is getting close to full and I don't want to turn anyone away. The more children we have, the more teachers we have, the smaller classes we have.

Congratulations to Paul and Ruth Shelling. They are heading to Pitcairn Island for one year for Paul to take up a teaching Principal role. This may be for 2 years, but at this stage Mrs Shelling has been given leave for 1 year. I know that they will have some exciting times ahead of them, please pray for them. We will be advertising a position in the senior school this week. Exciting times ahead for NCA in 2012!

Blessings to you all,

Chris George
Principal

WAREHOUSE STATIONERY

The easiest fundraising opportunity for our school.

Help our school get rewarded with Warehouse Stationery's Support Your School programme.

For every \$1 you spend at Warehouse Stationery where our school's unique voucher is presented, 1 BlueBiz Reward Point will be raised for our school. 500 people spending just \$50 raises 25,000 Points! That's equivalent to just over \$450 worth of additional funds* for our school to buy much needed school stationery, technology supplies and more. What could be simpler or easier! It doesn't require you to sell a single sausage, bake a cake for the school fair or sell raffle tickets to your workmates and neighbours.

Now's the time to spread the word. We must ensure as many people as possible present our school's unique voucher (or quote the voucher number below) when they make any purchases from Warehouse Stationery all year round. You can also make purchases online at www.warehousestationery.co.nz simply by entering our school's unique code in the Promo Code box at the online checkout. To raise even more funds, print or send it to all your friends, family and workmates and get them supporting our school.

* Calculation based on converting Points to 9 x \$50 Warehouse Stationery vouchers.

Cut out or download our unique voucher now.

If you'd like to know more about how the programme works, visit warehousestationery.co.nz and click on the Support Your School tile.

Let's make sure our school benefits from the year's biggest fundraising opportunity.
