Term 3 Week 10

## PRAYER POINTS

Give thanks for:

- Spring!
- The ongoing support of our wonderful whanau.

Please pray for:

- Families and staff still affected by the recent flooding.
- Strength and perseverance heading towards the holidays.

## FROM OUR PRINCIPAL, JENNY LAIDLAW

Tēnā koutou katoa, he mihi tēnei kia koutou,

What an amazing way to wrap up Term Three, with the car park being 98.5% complete, thank you all so much for your extended patience, support, encouragement and for your ongoing flexibility which you have demonstrated throughout the last two terms. We're super proud of our wonderful NCA community. You're all such shining beacons and wonderful ambassadors for Christ. As a community you have truly brought our Values alive and made them meaningful for our tamariki. Our Proprietors need to be honoured and thanked for working so hard to ensure that this upgrade could actually happen!

Term Three has been full steam ahead! Our wonderful students have had a number of exciting learning opportunities. The Life Education bus visited NCA in Weeks 2 & 3 and our Intermediates had a fantastic day up Rainbow ski field. The concept of skiing challenged many of our Yr 7/8 students however by displaying super high levels of determination, perseverance, resilience and flexibility, combined with their ability to work collaboratively together, our fantastic young folk mastered the act of skiing by the end of the day!

Thank you so much to all of the parent volunteers who accompanied this trip - it was a wonderful way to connect with each other and an amazing opportunity to enhance our students self confidence throughout the day and this day really helped to prepare them for college next year.

Our Year 5/6's managed to squeeze an excursion into the Suter Gallery before the rain arrived. The floods really put a dampener on the term and once again we had to retreat into hybrid learning. A number of our families had to be evacuated or were unable to leave their homes. Once again our NCA community shone brightly as we reached out to one another. Your generosity really helped to limit unnecessary trauma for these families.

With the cancellation of our Teacher Only Day we were able to provide a number of students with the opportunity to attend the Inspire Festival which was held at Garin College. We sent a group of 23 students from Yr 4-8 to represent NCA. This group of wonderful young people made us proud as they lived the Values and they shone out brightly with their 'Can Do Attitudes' as they attempted a number of STEAM activities which certainly challenged them. Once again a massive thank you to all of the parents who were able to help out at such short notice. Without you this event would not have been possible.

Our Whole School Speech competition was fantastic! The quality of the speeches and the delivery of the presentations just continues to flourish, even during this very chaotic season. Senior and Intermediate students were selected to represent our school in the Interschool Speech Competition. Daniel M, Maisey S, Lily B and Joshua J were amazing ambassadors for God as they embraced the challenges of public speaking. With massive smiles on their faces, they drew on their faith, shared their speeches and certainly made their teachers, whānau and NCA proud!

Our school leaders worked with Rick from Enviroschools and conducted a School Waste Audit and ever since we have been encouraging *Wrapper Free* Wednesdays.

Two weeks of swimming and water safety at the Richmond Aquatic Centre has certainly tired out our beautiful tamariki. Our students are certainly more confident when entering the water and their swimming skills have developed over the two week period. The swimming programme is such an important part of the school curriculum and has a pivotal role in helping to keep our students safe during the summer break when they are swimming in our local rivers and sea.

Our Intermediates finally got to experience outdoor life at Bridge Valley this week. All students faced a number of personal challenges and all were able to experience success and what success looks like for them. This EOTC experience is the first time many of our students have been away from their homes in an unfamiliar environment. All of our students shone. Those students who came out for day trips were fully included in all activities. It was a fantastic experience for all students. When they arrived home yesterday afternoon they were all super tired but had amazing smiles on their faces as they dragged their bags to their cars, whilst sharing their experiences with their parents. A big shout out to Mrs H and Mrs Fitzwater who worked so hard to ensure this EOTC activity took place. Our parent helpers were amazing and they too went home extremely happy but tired. Thank you all so much.

We are really excited about Term Four! NCA has an extremely full calendar scheduled throughout the term so please note the dates on the newsletter and put them in your diaries so that you can ensure that you are free to join us as we celebrate your children's learning experiences throughout the final term of 2022.

Lost Property: We have a box full of school jackets, drink bottles and general clothing that has not been claimed by our students. If you have lost clothing please call into the office to check out the Lost Property box. You can help us in the future by clearly labelling all school clothing.

Hats: School hats are to be worn throughout Term 4 and Term 1. You can purchase school hats through the office.

We have all experienced some extremely challenging seasons throughout the past two years. Our experiences may have been slightly different but they are all very real. Covid fatigue, winter illnesses and then the floods have hit us all very hard however, we have remained united in our faith. Now that we are able to reconnect, take some time out for yourselves, enjoy your beautiful tamariki and reconnect with whānau over this short holiday season. Rest up, be still, stay safe and have a peaceful break and remember that the gift of peace comes through the Holy Spirit.

**'The peace I give is a gift the world cannot give, so don't be troubled or afraid'.

# NCA HAPPENINGS:

## Mihi Whakatau

NCA welcomed new families to the school on 26th July 2022. It was wonderful to see our new tamariki and whanau joining us for the morning.

## A WARM WELCOME TO OUR NEW STUDENTS:

Felix - Rm 1

Adeline, Chiara, Elijah, Trixie,  
Link, Van, Lun Sang, Harlen,  
Emmalynn & Elise - Rm 3

*We look forward to your  
journey of growth and  
learning with us!*

## Swimming

We had some tired but happy faces coming back to school each day. The sessions were thoroughly enjoyed and ran smoothly.

Please remember to inform the office if you ever need to take your child from an event or please sign them out from school if leaving early.

## Life Education Session

Harold the Giraffe entertained young and older during these informative sessions. Thank you for supporting your tamariki by completing a few activities that were sent home.

## Car Park Upgrade

**Important points to remember:**

- The footpath near the field should be used when children are dropped off and picked up each day, for the safety of our tamariki.
- Please make use of the yellow lined walkways through and around the carpark.
- Please keep to the speed limit for everyone's safety!

## Football in Schools

NCA was really happy to host Football in Schools this term. The first session had to be slightly adjusted to play on the smaller lower field as the top field was still too wet after all the rainfall.

Room 4, 12 and 13 enjoyed sessions on the 6th September and Room 5, 9 and 10 would have participated on 27th September. This session has been postponed to Term 4.

There are still a few spaces in the football teams for next term. Please encourage your child to sign up. Cost is only \$15!

Parent help is always needed so please sign up to help with your child's team. Thank you to those who have already agreed to do so.

Nelson Suburbs is also running the Football Skills Centre for 7-15 year olds, Tuesdays from 25th October at Saxton. Cost for this is \$75. You can let the office know and we would be happy to help you sign up!

During Māori Language Week we enjoyed Waiata Mornings in Room 8 where we sang songs and showed our best dance moves (kanikani). Individually, classes also did some other tasks to celebrate Māori Language Week, like doing booklets, talking about their roots and pepeha, singing, dancing, playing games, learning a new karakia and Kahoots! Overall this was a remarkable week where Te Reo Māori was really highlighted.

## Intermediates Camp

## Cross Country - Inter-Regionals 2022

Novia M (Yr5) and Biak B (Yr6) represented NCA (as part of the Tasman team) on 29th September at the Inter-Regionals Cross Country Championships 2022. They competed against Christchurch & Wellington. The Tasman team placed second overall with Wellington in first place and Christchurch in third. Congratulations!

## Feedback on team numbers:

### Miniball teams:

- Enough for a Y5/6 team

### Mini Football teams:

- Year 1-2 - enough for a team
- Year 3-4 - enough for a team
- Year 5-6 - enough for a team but no reserves

### Softball (Y4-6):

- Have joined up with Enner Glynn students to make a team

### T-ball (5-8 years old):

- Need 3 or 4 players & supervisor

### Touch:

- Year 1-4 - need 2-3 more players for rolling subs
- Year 5-8 - no team could be made by due date.

### Volleyball

- Year 3-6 - enough for a team

Sports team lists will be sent home with your child when finalised.
